

Norridge Park District's Early Care And Preschool Academy

♥ Welcome to Preschool!!

2022-2023

AGES THREE, FOUR AND FIVE

Our popular, high quality Preschool program emphasizes learning through play-based developmentally appropriate activities. The program operates with the combined ages of 3, 4 and 5 year olds. The Creative Curriculum which we use follows the Illinois State Board of Education Early Standards. The classroom is designed for exploration and discovery in language arts, music, STEAM (science, technology, engineering, art and math), physical development and health. The teaching staff use the ZOO-PHONICS program to guide instruction in reading readiness. A large variety of manipulatives provide fine motor development while an outdoor playground promotes large motor development and socialization.
